Namakkal 637001, Tamil Nadu

Day 1 - 10th January 2025

Session - 01

| Time | Speaker | Topic | Chairpersons |
|-------------------|---|--|---|
| 08:30am - 08:50am | Dr Deepti Mishra | Concept and types of intraperitoneal chemotherapy | Dr Prakashen O K Dr Karthikeyan Senniappan |
| 08:50am - 09:10am | Dr Aruna Prabhu | Selecting patients for radical treatment in gastric cancer with peritoneal metastasis; changing concepts | |
| 09:10am - 09:30am | Prof.Vahan Kepenekian | Recent advances in systemic therapy for gastric cancer with peritoneal metastasis | Dr Balu Kuppusamy Dr Vikash Mahajan |
| 09:30am - 10:00am | Dr Ramakrishnan A S | Is cytology positive gastric cancer curative or palliative? | |
| 10:00am - 10:50am | Dr Prasanth Penumadu Dr Senthilkumar Ganesan | Debate- Neoadjuvant treatment in gastric cancer with peritoneal metastasis IP+IV- Dr Prasanth Penumadu Vs IV- Dr Senthilkumar Ganesan | Dr Rajasekar A Dr Suresh Venkatachalam A |
| 10:50am - 11:40am | Dr Manish Bhandare | Panel discussion : Gastric cancer with peritoneal metastasis | |
| 11:40am - 01:00pm | Inauguration | | Dr Vikash Mahajan Dr Ezhir Selvan C Dr Vijayabhaskar R Dr Mahendran Govindasamy Dr Velmurugan S Dr Ram Abhinav |
| | Prof. Olivier Glehen | Choosing differently: Role of long-term intraperitoneal chemotherapy in management of gastric cancer peritoneal metastasis | |

01:00pm - 01:30pm

LUNCH

Session - 02

| Time | Speaker | Topic | Chairpersons |
|-------------------------|-----------------------------------|--|--|
| 01:30pm - 02:00pm | Dr Ramakrishnan A S | Management of incidentally detected colorectal peritoneal metastasis | Dr Vijay Anand M S Dr Anand Kannan |
| 02:00pm - 02:30pm | Prof. Vahan Kepenekian | Prophylactic intra peritoneal therapy in colorectal cancer | |
| 02:30pm - 03:00pm | Prof. Olivier Glehen | Role of cytoreduction surgery in advanced colorectal malignancy in the era of targeted and molecular therapy | Dr Vijay Ganesun Dr Kathiresan N |
| 03:00pm - 03:30pm | Dr Mufaddal Kazi | Minimal invasive cytoreduction surgery in colorectal cancer with peritoneal metastasis | |
| 03:30pm - 04:00pm | Prof Olivier Glehen | Management of colorectal peritoneal metastasis with extraperitoneal metastases (liver and lung) | Dr Balamurugan S G Dr Sadasivam Dr Ayyappan S |
| 04:00pm - 04:50pm | Dr Aditi Bhatt Dr Sanket Mehta | Debate- HIPEC is essential after CRS in colorectal cancer with peritoneal metastasis <i>Yes - Dr Aditi Bhatt</i> <i>No - Dr Sanket Mehta</i> | |
| 04:50pm - 05:30pm | Dr Swapnil Patel | Panel discussion : Colorectal cancer with peritoneal metastasis | Dr Ayappan S Dr Rohin Mittal Dr Pavan Sugoor Dr Somasekar R D R Dr Chandralathan T A Dr Ashay Karpe |

Gala Dinner

Day 2 - 11th January 2025

Session - 01

| Time | Speaker | Topic | Chairpersons |
|-------------------|-----------------------|--|--|
| 08:30am - 08:50am | Prof.Vahan Kepenekian | Biological CC score in peritoneal surface malignancy | Dr Gurumoorthi R Dr Bhushan Wani |
| 08:50am - 09:10am | Dr Manikandan D | Role of CT DNA in peritoneal surface malignancies | |
| 09:10am - 09:30am | Prof. Somashekhar S P | Minimal invasive cytoreduction surgery; where are we? | Dr Subbiah Shanmugam Dr Rohit Kumar C Dr Vivekanand Sharma |
| 09:30am - 10:00am | Prof.Vahan Kepenekian | Emerging role of artificial intelligence in managing peritoneal metastasis | |
| 10:00am - 10:30am | Dr Praveen Kammar | Management of complications after cytoreduction surgery | |
| 10:30am - 11:20am | Dr Aruna Prabhu | Panel discussion- Perioperative care and optimization | |
| 11:20am - 12:10pm | Dr Balaji Ramani | Panel discussion: Pseudomyxoma peritonei | Dr Gurumoorthi G Dr Aravind Kumar P Dr Senthil Kumar R Dr Rohitkumar C Dr Rajkumar K S Dr Thangadurai |
| 12:10pm - 12:40pm | Prof. Somashekhar S P | Practical challenges in managing peritoneal surface malignancy in India | Dr Vivekanand Sharma Dr Zeeba Dr Kathiresan N Dr Sivakumar Mahalingam Dr Kathirvel Kumaran P Dr Senthil Kumar A C |
| 12:40pm - 01:00pm | Dr Niharika Garach | Key take home messages from the Indian consensus: Practical aspects during cytoreduction surgery | |

01:00pm - 01:30pm

LUNCH

Session - 02

| Time | Speaker | Topic | Chairpersons |
|-------------------|---|--|--|
| 01:30pm - 02:00pm | Dr Sanket Mehta | Primary or interval cytoreductive surgery- selecting appropriately | Dr Balaji Ramani Dr Subbaiya Shanmugam |
| 02:00pm - 02:30pm | Dr Aditi Bhatt | Extent of surgery in ovarian cancer with peritoneal metastasis | |
| 02:30pm - 03:00pm | Dr Rohit Raghunath Ranade | Role of secondary cytoreductive surgery for recurrent ovarian cancer | Dr Sameer Gupta Dr Bhavesh Poladia Dr Sivakumar K |
| 03:00pm - 03:30pm | Dr Snita Sinukumar | KELIM- a new biomarker: current role and future | |
| 03:30pm - 04:00pm | Dr Shivkumar Mahalingam | Choice of maintenance therapy in ovarian cancer | |
| 04:00pm - 04:45pm | Dr Deepti Mishra | Panel discussion: Ovarian cancer | Dr Arunandhi Chelvan Dr Jagadesh Chandra Bose S Dr Firoz Rajan Dr Gnana Sanker Natesan Dr Anis B Dr Bhavesh Poladia |
| 04:45pm - 05:15pm | Dr Dileep Damodaran | PSOGI consensus on HIPEC regimens | Dr T D Balamurugan Dr Ashwin Rajgopal |
| 05:15pm - 06:00pm | Dr Vivek Sukumar Dr Ambarish Chatterjee Dr Neha Kumar | Key take home messages from Indian consensus Gastric cancer- Dr Vivek Sukumar Colorectal cancer- Dr Ambarish Chatterjee Ovarian cancer- Dr Neha Kumar | |

FACULTY DINNER

Day 3 - 12th January 2025

Session - 01

| Time | Speaker | Topic | Chairpersons |
|-------------------|------------------------|--|--|
| 08:30am - 09:00am | Dr Santhosh Kumar P | Current standards of imaging for peritoneal metastasis | Dr Rajkumar K S Dr Ayyappan S Dr Snita Sinukumar Dr Sivaganesan P |
| 20 Mins Each | | | |
| 09:00am - 09:20am | Dr Deepti Mishra | Staging laparoscopy and PCI documentation | |
| 09:20am - 09:40am | Dr Sanket Mehta | Diaphragmatic peritonectomy | |
| 09:40am - 10:00am | Prof. Somashekhar S P | Managing peritoneal disease : porta and superior and inferior recesses of lesser sac | |
| 10:00am - 10:20am | Dr Aruna Prabhu | Omentectomy +/- splenectomy | |
| 10:20am - 10:40am | Dr Aditi Bhatt | Pelvic peritonectomy with management of rectum | |
| 10:40am - 11:00am | Prof. Vahan Kepenekian | Mesenteric peritonectomy | |
| 11:00am - 11:20am | Dr Ashwin Rajgopal | HIPEC- open and close techniques | |
| 11:20am - 11:40am | Dr Ninadkatdare | PIPAC nuances | |
| 11:45am - 12:15pm | | Selected paper presentation | |
| 12:15pm - 12:45pm | | Selected video presentation | |
| 12:45am - 01:15pm | | Prize distribution | |
| 01:15pm - 01:30pm | | Vote of thanks and group photo | |
